"Serving as president of the Charlotte Jaycees was one of the greatest leadership development experiences I had early on in my career. I was able to develop management skills, and establish ongoing relationships with community leaders."

The Jaycees Creed

We believe ...

That faith in God gives meaning and purpose to human life; That the brotherhood of man transcends the sovereignty of nations; That economic justice can best be won by free men through free enterprise; That government should be of laws rather than of men; That earth's great treasure lies in human personality; And that service to humanity is the best work of life.

You can be a part of great leadership.

The Charlotte Junior Chamber

Since 1929, The Charlotte Junior Chamber has been the premier organization for young professionals ages 21-to-39. We are the charter chapter for the state. The first big project undertaken by the chapter was to handle the transportation for the Confederate War Veterans Reunion that was held in Charlotte in June, 1929. The Jaycees used a fleet of 200 cars and 100 buses for transporting the ten thousand Confederate Veterans during their week-long reunion.
